THE LEGEND

CLASS OF 1954

INDIAN HILL HIGH SCHOOL

DEDICATION

"This earth that bears him dead, bears not alive so stout a gentleman. He hath outsoared the shadow of our night."—Shakespeare.

Such a man was the late Senator Robert A. Taft. The whole world remembers him as an outstanding citizen of these United States and a statesman of high honor and great ability. Our country owes him much for his contribution to its growth and welfare.

Because he has been our neighbor in Indian Hill, we feel it is our rare privilege to dedicate this first annual to the memory of

ROBERT ALFONSO TAFT

OUR SCHOOL BOARD

We wonder if there is another school board in the country so conscientious as to hold an average of over three meetings a week? On December 14, this board held its fiftieth meeting of the current school year. Our fine schools and school buildings demonstrate the untiring interest and work of these gentlemen. Their faces are familiar to us all because they are frequent visitors of school functions. Hats off to our school board!

THE SUPERINTENDENT'S MESSAGE

Members of the class of 1954, I salute you. You are the first class to graduate from Indian Hill High School, and therefore you are establishing many precedents. Your successors will necessarily have to strive continuously in order to maintain the high level of achievements wrought by you. You have done well and I wish to commend you most wholeheartedly upon your fine record.

Now, however, you are entering upon a far broader field of endeavor. As you assume your place in our complex world, you will realize a striking change between the sheltering friendliness of the school and the brutal indifference of everyday existence. You, the leaders of the future, must substitute brotherhood and harmony for contemporary callousness. Furthermore, it is you that must bring concord among the nations of the world. Freedom and justice must be your watchwords as you labor toward your goal.

You thus are confronted with a tremendous challenge. It is entirely up to you. May you persevere in your efforts and, with the help of your eternal God, emerge victorious.

ADVENTURES OF A SENIOR

September 1950

The busses were arriving at Concord School, for Indian Hill was not yet completed. Nevertheless everyone was keyed with excitement. This was the first day of our high school career! For some of us, there was a different school; for all new faces, and new teachers.

The bell rang for us to go to our home room and our home room teacher, Mr. Prickett.

It was not all work though, for soon everyone was talking about the Halloween Party. Slowly the days crept pass and it was the night of the Halloween Party. Everyone was there; this was our first social function.

We talked about the party for days afterward, but soon settled back to the old grind.

One day Mrs. Patrick came into our room and took several students out into the hall to talk to them. When they returned their faces were wreathed with smiles. More mysterious meetings were called; we soon learned they had been planning a Thanksgiving Pageant for the students, and then in the evening for the parents at the time our Glee Club gave its first public program.

But now everyone counted the days when we would go into the new school. How they seemed to drag! Finally the day came and Mr. Patrick announced that we would be in the new school before Christmas. We then began to plan our room Christmas parties which were held at I. H.

The operetta was given on Thursday, March 29th. It was followed by a party for the cast at Al Zoller's house.

Spring was in full bloom, when the first dance review, under the direction of Mrs. M. Moller, was given. The turn out was grand, and the parents were amazed at the dancing. There was everything from ballet to ballroom.

All year the freshman had been skimping and saving so that we would have enough money to take a trip to Detroit.

We left Friday morning at 6 A. M. from the school and ate lunch in Bowling Green, Ohio, arriving in Detroit in the late afternoon.

The itinerary for that evening included a trip to Windsor, Canada, and then to a show in Detroit. We got in late, but we had to get up at 6:30 A. M. (Rise and Shine). We ate breakfast at the Detroit Leeland hotel, and boarded the bus for the long trip home. After riding all day, we were in Bowling Green. I can remember it very distinctly. We had the most wonderful steak dinner I have ever eaten. (I wish I had a souvenir).

We arrived at Indian Hill at midnight, and everyone was beat. At long last-home sweet home.

September 1951

Another year had started, but part of the newness had worn off. Our homeroom teacher was Miss Pyles. The laboratory was nearly completed, and preparations were being made to begin the new gymnasium.

Of course we had a Halloween party. We were hoping to initiate a few traditions. There was a big turn out, for this time the party was given at Indian Hill in the study hall. Many of the students made their own costumes. I have never seen such an array of colors.

November slowly slipped into December, and there was the usual excitement of a Christmas Dance, this time a semi-formal.

After the dance, Christmas vacation arrived (I thought it would never make it). March 17 was close at hand, and the Dramatic Club was making plans to give a Saint Patrick's Day Dance called, "The Shamrock Shindig."

Then, on March 21, the Glee Club, under the direction of Mr. Gorman gave another operetta, "The Mikado."

September 1952

As our Junior year began, it seemed that we had a lot to accomplish. As is always the case, money was our main worry. We finally solved this problem by operating a candy machine for the entire school.

One of our biggest thoughts was our class rings. After all, we were the first class to have them! It seemed as though everyone preferred different ones, so we appointed a committee to select a few rings. We then selected one of the samples they chose, and settled back to wait for them. Little did we realize that certain lower classmen were anxiously awaiting them also—three guesses why!

Now that our new gym had been completed, we used it at every opportunity. In fact, the first formal dance which was sponsored by the G. A. A. was held in the gym. It was a Valentine dance and the decorating scheme was beautiful. I'm sure some of us will never forget how much Kleenex it took to make the huge white heart at the entrance.

April brought us our first variety show, *The Powwow*, sponsored by the P. T. A. We had a glorious time presenting the show and I know I shall never forget the Charleston group, barbershop quartet, or the pantomine artists.

The final event of the year was the Miami Scholarship Test. Once again Indian Hill brought home more honors.

As our Junior year ended, we all realized what was ahead of us. Our next year would surely be the greatest. September 1953

Although we all enjoyed a marvelous vacation, it gave us a new thrill to call ourselves Seniors.

Thus began a new year, and with it the exciting thoughts of all our new plans which lay before us. But somehow, there was also a sad feeling, because this was the last year we would spend with old friends. However, there would always be new faces.

This was evident on our first day, for we had a new home room teacher, Miss Kinney. She and Mr. Robbins sponsored our various activities, such as our job of selling catalogues at the Cincinnati Dog Show at River Downs on September 19. I'll bet some of us won't forget that day!

The project on the top of our list was our annual. In fact, we had the privilege of writing Indian Hill's first annual (and this is it).

With the arrival of colder weather, we realized that basketball season was approaching (how about it, boys?). Since this was the first year to have a Varsity and Reserve basketball team.

Football was on our mind, but we decided not to tackle that till next year.

October 15 was declared Senior Day. We had all looked forward to having our senior pictures taken for the annual and friends. We made a day of it (one I won't forget—ever).

Then, on December 19, we presented our Senior Class play under the direction of Miss Weber (correct English at all times). Somehow we managed to struggle through that big night, but Miss Weber nearly didn't. Although it was nice to have a "full-house," it was a relief when the play was over. However, I shall always remember the rehearsals (I'll bet Miss Weber will, too).

They say that January 1 means a new year, but to most of the seniors it brought the thought of June closer to reality.

January 13 was the big day for the Senior State Scholarship Tests. As always, our students stayed right on top. It was not an easy test, but we received county and state honorable mention.

As the great day (graduation—what else!) drew nearer, we once again had to make a choice. This time it concerned our invitations and calling cards. For some unknown reason, the selection was nearly unanimous, and once again we settled back to wait for their arrival.

Uncle Sam claimed Ronnie and Francis at the beginning of the second semester, but we hope to keep in touch with them.

Another big project under way? Must be the Juniors! This is a class we're all very proud of for they've sold Christmas candy and cards, sponsored basketball dances and concessions, the candy machines, and have had their fingers in many other pies. Speaking of pies, they've pulled out a nice big plum in the form of a wonderful Junior-Senior Prom—a dreamy formal which we will long remember.

FRESHMAN

The Freshman Class started off their school "daze" with the first event of the year.—"The Harvest Hop."

You can always tell the Freshmen by their red and white beanies which they sold as another of their money-making projects. Just wait until you see what they have planned for the future!

This class may be only papooses now, but it won't be long until they're big squaws and braves! So you'll soon be seeing them warwhooping along the way to make their years complete.

QUILL AND SCROLL

Six members of the Senior Class compose our Quill and Scroll chapter organized last year. It is part of a national organization of high school journalists.

Row 1: Marlene Meyer; Ruth Wright; Marcia Conwell; Rose Marie Scherm; Evelyn Hillard; Ann Copher; Helen Schaefer; Alahna Weller; Miss Pyles, Advisor; Row 2: Sally Stevens; Bonnie Busch; Trish Graves; Charlie Stephans; Judy Murphy; Carol Bruck; Charlene Hartline; Carolyn Saffer; Row 3: Julie Haile; Peter Steer; Pat Homer; Pearl Wood; John Thompson; Helen Seelmeyer; Penny Bouwman; Susan Johnson; Nancy Lenhardt; Row 4: Susan Lindeman; Nancy Brown; Julia Stevens; Gretchen Rosenstiel; Betty Whitman; Sue Schmidthorst; Marlene Adrick; Barbara Eastman; Row 5: Gary Baker; Jean Skor; Valeta Poff; Pete Osborne; Bob Whiteside; Howard Burdett; Janice Schomburg; Art Halmi; Jim Lodwick.

CHIEFTAIN

Although some of us don't get past the gossip column, we'll all agree that the Chieftain Staff has done a good job on our school newspaper. A lot of the credit should go to Miss Pyles, who has been the advisor since its start 3 years ago.

SCHOOL HELPERS

Jim Lodwick, John Tompson, Jim Saffer, Charles Porter, Ronny Scheidt (left rear) Mrs. Patrick, Sally Stevens. Mike Coleman, Gordon Watson, (standing) Eddie Pierce, Arthur Halmi, Bill Vandlandingham.

VISUAL AID

At the beginning of our high school careers there suddenly arose the problem of getting people to show movies. A small group of about four or five students started training for this job. They were trained in the use of the R. C. A. projector, the S. V. E. Strip and Slide film projector, the Public Address and the Recorder. After passing tests each member received a projection card which enabled him to show motion pictures on any R. C. A. machine.

The group now consists of eleven members of which three are original members.

The visual aid program is not only an indispensable group during school time but is also a reliable aid to community organizations.

THESPIANS

The Initiation Ceremony

The National Thespian Troupe 1241 was organized in 1952 and initiated by the Colerian Troupe. Its main aim is to develop and broaden the cultural attainment and to provide a worthwhile leisure time activity for high school students.

Many of the members have been student directors for the Dramatic Club plays and have attended district meetings. This year some of the members entered in the Prince of Peace Contest.

Their production, *Eyes of Love*, given in November of this year, was very well done and was enjoyed by many.

DRAMATIC CLUB

The Dramatic Club, under the direction of Mrs. C. M. Patrick, was organized in 1950. Membership has increased from 15 to 35 in the past four years.

The purpose of this club is to create an active and intelligent interest in dramatic activities among students and teachers.

Its second aim is to set growing standards of excellence in all phases of the Dramatic Arts, which include speaking, acting, writing, directing, staging, costuming, and make-up.

Its third aim is to develop in youth an appreciation of theatre, motion pictures, radio and television in order to make them intelligent consumers of dramatic projects.

Finally the National Thespian Society offers the young people a worthwhile leisure time activity and develops and broadens their cultural attainment. Those with outstanding talent are encouraged to continue in the profession.

F. B. L. A.

The Commercial Club was organized in 1851; in 1953 it became Chapter 807 of the Future Business Leaders of America, which is a national organization. Our F. B. L. A. Chapter attended the state convention at Toledo last October, at which time Rose Scherm was elected state reporter.

F. B. L. A. has monthly meetings, parties, and at least one field trip each year. Projects for this past year have included the following: selling basketball programs, conducting a hat and coat stand at each home basketball game, leading a district meeting of high school students at Miami University on February 12, and making plans for the 1954 Ohio state convention which is to be held at Indian Hill High School.

Lots of luck to a swell seat

G. A. A.

Our G. A. A., organized in 1951, has been very active. We give girls an opportunity to participate in sports outside the school program. Basketball, soccer, volleyball, baseball, and speedball are among our favorites.

The G. A. A. was the first to sponsor a formal dance at Indian Hill School. The Sweetheart Dance, as it was called, was held on February 28, 1953.

We hope this organization will continue to be successful in future years.

SCIENCE CLUB

The Science Club was formed at Indian Hill High School, September 1952, with the following as the Major objectives:

1. To acquire that information and knowledge concerning organic and inorganic matter, which satisfy the curiosity of youth and which may be of greatest practical and cultural value in life situations.

2. To understand those significant, elementary concepts of science which provide the means for interpretation of everyday scientific observations, thoughts, experiences, and conclusions.

3. To acquire, through the solution of real problems, understanding of and practice in those study skills and elements of scientific thinking, which are significant in the field of science, to the end, that these skills and methods of thinking shall function in similar problems of everyday life.

Last year the club took a trip to Proctor and Gambles and made an interesting tour of the U. C. Biology Building.

JUNIOR RED CROSS

The Junior Red Cross is a branch of the American Red Cross for students in public schools. The Indian Hill Red Cross council is composed of two representatives from each home room. Each school is allowed two representatives to the Cincinnati Junior Red Cross Council; our representatives are Sally Stevens and Micky Coleman.

The officers of the school council are Mickey Coleman, chairman; Art Halmi, publicity; and Jackie Hartman, secretary-treasurer.

A few of the projects the council has sponsored are the school money drive in October, a Christmas Party for the children in the State Hospital at Longview, tray favors made by the art department and the home economics classes for the Ft. Thomas Veterans Hospital, and convalescent slippers and lap robes also made by the home economics classes.

The Junior Red Cross Council helped launch the American Red Cross drive in the Cincinnati area this spring, and filled a school chest with supplies for a needy school in Europe.

Seated: B. Blatz, Mrs. Patrick, G. Baker, P. Osborne, E. Hillard, P. Bouwman. Standing: J. Lodwick, A. Halmi, J. Crane, J. Kirschner, G. Benckenstein, T. Locke.

STUDENT COUNCIL

Any complaints or suggestions? See our Student Council. Although it was organized just last year, they have been very ambitious. All the money that they make is for charity, notably T. V. Television and the Polio drive. They have also collected money for a new flag. Pete Osborne has been president for two years.

This year the student council formed a new system of safety rules and patrol. It also set up a system of tickets for bus rules infractions.

The Indian Hill Varsity Basketball team, which was composed of Jack Colwell, Bob Hillard, and Dave Robinson from the tenth grade; Tates Locke and Alvin Grill from the eleventh grade; and Gary Baker, Chip Kleiman, Larry Bicknell, Bill Vanlandingham, and Herb Hillard from the twelvth grade, had a very successful season.

We started off the season with a "bang" by defeating Milford and Sycamore, then ran into a little trouble when we lost to Loveland in a thriller. The next game was played with Anderson, who also downed the red and white in another thrilling game. Then came the Invitational Tournament, which was played at Indian Hill School. In the first round of the tournament we beat Mt. Healthy as Loveland beat Terrace Park. The next night we played Loveland for the championship and again were defeated by the Tigers. Loveland was declared the champion. Next in line came our regular league game with Mt. Healthy. Again we downed the Owls after a hard fight. Next we traveled to Colerain where, after one overtime, we were defeated. This was one of our best games of the year.

Then after losing to Colerain the Indian Hill five won two. First we traveled to Sharonville where we trounced our hosts by 27 points, then came home to beat Terrace Park in another thrilling game. Again we ran into trouble as we dropped our next two games. First the red and white dropped one to the league-leading Taylor Yellow Jackets, then to the third place Glendale five.

Our gym was filled to capacity and people were turned away who came to watch the big game of the year, the homecoming game with the Madeira Mustangs. The Indian Hill five were up for this game as they came off with a victory in a very hard fought contest. Then we traveled over to Country Day where we downed them in another hard game.

The Indian Hill Junior Varsity team has had a very successful season this year. They had a record of seven wins and five losses. They'll soon be giving the Varsity a run for their money!

CHEERLEADERS

"Pep it up, step it up, win tonight.
Come on Indians, fight, fight, fight."

All the credit for this original cheer belongs to our five vivacious cheerleaders. Their moral support has helped lead the Varsity and Reserve basketball teams to victories. These pepsters did a grand job of cheerleading and have made students at I. H. and other schools, very proud of them. Nice job, girls!

THE CHEERING FIVE

The five leaders of cheer were all out on the floor,
A gay red and a white were the colors they wore.
For the greatest of teams they all gave a loud shout,
Their support will wing victory home without doubt.

TRACK

The track team got off to a good start by entering the Hamilton county track meet at Harrison High School on May 5 and 6 Dave Robinson took fourth place in the junior half-mile race and Bob Hillard walked away with first place in the Junior Shot-Put and also placed in the high jump. Doug Heilman's sensational mile run captured first place he was second in the half mile race.

In the field events Herb Hillard captured first place in the Senior Shot-Put. Doug and Herb then went to the Miami University track and field meet where Doug represented us in the mile run and Herb in the Senior Shot-Put. Both boys placed fourth. Since Doug placed second in the district, he had the right to represent Indian Hill in the State Track Meet at Columbus. Although he didn't place, we are really proud of him. Let's hope our track team continues to retain such a successful record.

This climaxed our career. The Senior Supper, Baccalaureate, and finally, graduation brought our high school career to an end.

Although the idea of ending our high school life was sad, we knew that you who are reading this tale now would enjoy it as much as we did.

"SERVICE TILL MIDNIGHT"

(Continued from Page 56)

The Indian Hill five closed the season in style as they traveled to Harrison and really had to fight to win. The game went into a double overtime, before we finally won. The regular season recorded for the Indian Hill five was very good; we won nine and lost six.

The County Tournament was held at Anderson. In the first round we drew the Madeira Mustangs. Although we were put out, the Red and Whites put up quite a battle. It took a double overtime to defeat us. Thus ended a very successful season for the Indian Hill five.

A lot of credit goes to Mr. Boland, a very fine coach, for a very fine season. I think we should also give credit to the following boys: to Jack Colwell, who is without a doubt one of the best guards around. Jack made Honorable Mention on both the Time Star and Cincinnati Post. Applause belongs also to Bob Hillard and Dave Robinson, two more promising sophomores.

We also want to honor our only Juniors, Taylor Locke and Alvin Grill. They were both very good guards, and also did some good rebounding.

In the Senior Class we give credit to Larry Bicknell and Herb Hillard for the rebounds and the ability to fight, and to Gary Baker, Charles Kleiman, and Bill Vanlandingham, who were always willing to fight and help out when they could. But for the Sophomores, Juniors, and Freshmen, we say, "Wait 'till next year."

"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."
